The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>ump.regence.com/sebb</u> or call 1-800-628-3481 (TRS: 711). For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, provider, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <u>healthcare.gov/sbc-glossary</u>/ or call 1-800-628-3481 (TRS: 711) to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$750/per member, \$2,250/family	The medical <u>deductible</u> is what you pay before the plan begins to pay. Generally, you must pay all of the costs for medical services up to the medical <u>deductible</u> amount before this <u>plan</u> begins to pay. Each member has an individual medical deductible of \$750 and the maximum the family pays for medical deductibles is \$2,250. Once a particular member pays their \$750 deductible, the plan begins paying for covered services for that member. Once the family deductible has been met, the plan begins paying for covered services for everyone in the family.
Are there services covered before you meet your <u>deductible</u> ?	Yes: Covered <u>preventive care</u> , hearing aids, sterilization, and tobacco cessation are covered before you meet your medical deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the medical <u>deductible</u> amount. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . But a <u>copayment</u> or <u>coinsurance</u> may apply to some services. For example, <u>deductible</u> and <u>cost sharing</u> may be applied on lab or radiology services during a <u>preventive care</u> visit. See a list of covered <u>preventive services</u> at <u>healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other deductibles for specific services?	Yes, for <u>prescription drugs</u> : \$250/per member, \$750/family for Tier 2 drugs. There are no other specific <u>deductibles.</u>	There is no deductible for covered insulins or for covered prescription drugs designated as preventive, Value Tier, or Tier 1 on the UMP Preferred Drug List. You must pay all of the costs for Tier 2 drugs up to the specific <u>prescription drug deductible</u> amount before this <u>plan</u> begins to pay for Tier 2 drugs.
What is the <u>out-of-pocket</u> limit for this <u>plan</u> ?	Medical: \$3,500/per member, \$7,000/family <u>Prescription drugs</u> : \$2,000/per member, \$4,000/family	The medical <u>out-of-pocket limit</u> is the most you pay during a calendar year for covered medical services before the plan pays 100 percent of the allowed amount for <u>preferred providers</u> . The <u>prescription drug out-of-pocket limit</u> is the most you pay during a calendar year for covered <u>prescription drugs</u> and products before the plan pays 100 percent of the <u>allowed amount</u> . If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Medical: <u>Premiums</u> , <u>balance</u> <u>billing</u> charges, <u>prescription drug</u> costs, member <u>coinsurance</u> paid	Even though you pay these costs, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
	to participating and <u>out-of-</u> <u>network providers</u> and non- network pharmacies, amounts paid for services this <u>plan</u> doesn't cover, amounts paid by the <u>plan</u> , amounts paid for services over a benefit limit, and amounts that are more than the maximum dollar amount paid by the <u>plan</u> . <u>Prescription drugs</u> : Costs for medical services and drugs covered under the medical benefit, <u>prescription drugs</u> and products not covered by the <u>plan</u> , amounts paid by the <u>plan</u> , and amounts exceeding the <u>allowed amount</u> for <u>prescription drugs</u> paid to non- network pharmacies.	
Will you pay less if you use a <u>network provider</u> ?	Yes. Visit the UMP website at <u>ump.regence.com/sebb</u> or call 1- 800-628-3481 (TRS: 711) for a list of <u>network providers</u> (preferred providers). For a list of network pharmacies, visit the Prescription drugs webpage at <u>ump.regence.com/sebb/benefits/presc</u> <u>riptions</u> or call 1-888-361- 1611 (TRS: 711).	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> or pharmacy in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> or out-of-network pharmacy, and you might receive a bill from a <u>provider</u> or a pharmacy for the difference between the <u>provider's</u> or pharmacy's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider (preferred provider)</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	UMP does not require a referral from your primary care provider to see a specialist.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
