

Making a difference...

February 2021

Dear Parent/Guardian,

Your child has been nominated for the Talented and Gifted classes, Ferndale's program for highly capable students. These programs serve students who perform or show potential for performing at significantly advanced levels when compared with others their age, experience or environments. All nominated students will be given a cognitive abilities test in May, 2021. Students who earn a state-mandated score of 90% or above will be considered for placement depending upon other identification criteria. Students scoring at 89% or below will not be eligible for placement at this time. Parents will be notified by mail as to their child's testing status by June 4, 2021.

Please call me at 360-383-2332 or email me at jill.robertson@ferndalesd.org if you have questions or concerns.

Best Regards,

Jill Robertson
