

How to use "Canvas"

Goals (You will be able to):

- ✓ Successfully locate, save to Bookmark Toolbar, and login to Canvas from any device
- ✓ Identify where your classes are and how to begin
- ✓ Explain where to get help if need it

Purpose (Why):

Canvas is Ferndale School District's 2020-2021 virtual learning classroom platform. Each class that a student is enrolled in, will have a Canvas classroom that will explain the daily learning goals, have the learning materials for students to access and complete, a place where students will turn in their work, and additional resources for that class. Canvas is a vital tool for student learning and success within each class assigned.

Step One (how to locate):

- Open up **Chrome**
- **Home Device:** Open Chrome and go to www.ferndalesd.org
 - Hover over the **About** tab and click on **Student Resources**
 - Scroll down to **Canvas** and click
- **School Device:** click the **Ferndale Schools** Folder on **Bookmark Bar**, click **Canvas**

Step Two (how to save to task bar if using Home Device):

- On the right hand side of the address bar you will see a star, click the star so that it is filled in
- Make sure the name is Canvas and if you have folders, choose an appropriate folder, click done

Step Three (how to login):

- Student login
 - Username: **first-last name (same as computer login)**
 - Password: **Same as computer password**

Step Four (acknowledging and navigating dashboard):

- Your dashboard, where you find your classes, will look something like this:
- Please clean up your dashboard to see your current classes! Watch the following video:
