Instructions for completing the Certificate of Immunization Status (CIS): Print the from the Immunization Information System (IIS) or fill it in by hand.**To print with the immunization information filled in:**

Ask if your health care provider's office enters immunizations into the WA Immunization Information System (Washington's statewide registry). If they do, ask them to print the CIS from the IIS and your child's immunization information will fill in automatically. You can also print a CIS at home by signing up and logging into MyIR at <https://wa.myir.net>. If your provider doesn't use the IIS, email or call the Department of Health to get a copy of your child's CIS: waiisrecords@doh.wa.gov or 1-866-397-0337.

To fill out the form by hand:

1. Print your child's name and birthdate, and sign your name where indicated on page one.
2. Write the date of each vaccine dose received in the date columns (as MM/DD/YY). If your child receives a combination vaccine (one shot that protects against several diseases), use the Reference Guides below to record each vaccine correctly. For example, record Pediatix under Diphtheria, Tetanus, Pertussis as DTaP, Hepatitis B as Hep B, and Polio as IPV.
3. If your child had chickenpox (varicella) disease and not the vaccine, a health care provider must verify chickenpox disease to meet school requirements.
 - ☐ If your health care provider can verify that your child had chickenpox, ask your provider to check the box in the Documentation of Disease Immunity section and sign the form.
 - ☐ If school staff access the IIS and see verification that your child had chickenpox, they will check the box under Varicella in the vaccines section.
4. If your child can show positive immunity by blood test (titer), have your health care provider check the boxes for the appropriate disease in the Documentation of Disease Immunity section, and sign and date the form. You must provide lab reports with this CIS.
5. Provide proof of medically verified records, following the guidelines below.

Acceptable Medical Records

All vaccination records must be medically verified. Examples include:

- A Certificate of Immunization Status (CIS) form printed with the vaccination dates from the Washington State Immunization Information System (IIS), MyIR, or another state's IIS.
- A completed hardcopy CIS with a health care provider validation signature.
- A completed hardcopy CIS with attached vaccination records printed from a health care provider's electronic health record with a health care provider signature or stamp. The school administrator, nurse, or designee must verify the dates on the CIS have been accurately transcribed and provide a signature on the form.

Conditional Status

Children can enter and stay in school or child care in conditional status if they are catching up on required vaccines for school or child care entry. (Vaccine series doses are spread out among minimum intervals, so some children may have to wait a period of time before finishing their vaccinations. This means they may enter school while waiting for their next required vaccine dose). To enter school or child care in conditional status, a child must have all the vaccine doses they are eligible to receive before starting school or child care.

Students in conditional status may remain in school while waiting for the minimum valid date of the next vaccine dose plus another 30 days time to turn in documentation of vaccination. If a student is catching up on multiple vaccines, conditional status continues in a similar manner until all of the required vaccines are complete.

If the 30-day conditional period expires and documentation has not been given to the school or child care, then the student must be excluded from further attendance, per RCW 28A.210.120. Valid documentation includes evidence of immunity to the disease in question, medical records showing vaccination, or a completed certificate of exemption (COE) form.

When a student accumulates seven (7) days of unexcused absences in any month (one day consists of more than half a school day) or ten (10) days of unexcused absences in a school year may possibly result in a Becca Petition being filed with juvenile court where sanctions can be imposed. These sanctions may include essays, study club, community service, detention alternatives and detention. Parent fines may also be imposed of up to \$25.00 for each day of unexcused absence from school.

Communication

- I understand that for each day I have been absent from school, my parent/guardian will submit a written note, email or call the school within two (2) days of returning to school to have the absence excused.
- They must provide the reason for the absence.

Unexcused:

- I understand that when I accumulate seven (7) days of unexcused absences in any month (one day consists of more than half a school day) or ten (10) unexcused absences in a school year, this will result in a Becca Petition being filed with juvenile court.

Excused:

- When twenty (20) consecutive absences have occurred, I will be withdrawn from school and a Becca Petition will be filed with juvenile court.

Attachment 1

Parent or Guardian:

The students at Ferndale School District have direct access to the Internet and the FSD network. With this privilege comes a responsibility. All students must be informed of the rules regarding Internet and network use and agree to abide by these rules. The District does utilize software and content filtering to prevent students from accessing inappropriate online materials. Users of the District network are required to sign a "Technology Resources Use Agreement". Please read and discuss this information with your student, sign the back and return it to the school. Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway.

Student Email:

Ferndale School District creates accounts for all students, which includes email access if needed. We are providing this service because we are obligated, through e-rate and federal regulations; "to insure that all students use computers, networks, and communications (including email) in schools for school related purposes in an appropriate manner". The mastery of effective and proper email communications is expected of FSD students and is embedded in the Washington State K-12 Essential Academic Learning Requirements and Grade Level Expectations in Educational Technology such as EALR2: Digital Citizenship, Component 2.3, "communicate with peers and teachers using email". Consequently FSD students will be expected to utilize their FSD email account for District and School communication.

This account will be assigned to students as they enter the District and will be available for school/educational usage throughout their career in Ferndale School District. In addition to email, this account will provide access to tools (word processor, calendar, spreadsheets), as well as other educational related tools.

For the purpose of determining a student's legal residence relative to school attendance areas in Ferndale Public Schools, the legal definition of residence is as follows:

WAC 392-137-115 Student Residence-Definition. As used in this chapter, the term "student residence" means the physical location of a students' principal abode, i.e, the home, house, apartment, facility, structure or location, etc. – where the student lives the majority of the time.

The following shall be considered in applying this section:

- 1. The mailing address of the student—e.g., parent's address or post office box—may be different than the student's principal abode.*
- 2. The student's principal abode may be different than the principal abode of the student's parent(s).*
- 3. The lack of a mailing address for a student does not preclude residency under this section.*
- 4. If students are expected to reside at address for twenty consecutive days or more.*

A copy of a current electric or gas bill (sewer and/or water bills are not accepted as proof of address) with your name and current address must be attached in order to complete the registration process and have a scheduling packet available for your student.

I hereby certify, pursuant to the Washington Administrative Code (WAC 392-137-155 Definitions) that:

FERNDALE SCHOOL DISTRICT GUIDELINES AND RULES FOR STUDENTS RIDING BUSES

BUS RIDERSHIP IS A PRIVILEGE. The privilege can and will be revoked for disregarding the rules. Approximately 2,500 students are transported to and from school daily. In addition, students are transported to athletic contests, music competitions and performances, field trips and other approved activities. The following guidelines and rules are established to promote the safety and well being of students using Ferndale School District vehicles.

- **FOR THE SAFETY OF ALL KINDERGARTEN STUDENTS: A parent, guardian or approved responsible party must be present for a kindergarten student to be release from the bus.**

A. PRIOR TO LOADING

1. Be at the designated bus stop five minutes prior to scheduled pick-up time. The bus cannot wait for tardy students; it has a schedule to keep.
2. When it is necessary to walk along the roadway, walk on the left side of the road facing traffic. If there is a shoulder or sidewalk, use it.
3. When crossing the roadway, walk – do not run. Before stepping into the oncoming traffic lane, check in both directions. If the bus is present, cross at least 10 feet in front of the bus, not behind it – and always wait for the driver's OK.
4. While waiting for the bus, stay off of the traveled portion of the roadway. Stand on the sidewalk, if there is one. Do not engage in horseplay. Respect the property of homeowners in the area. Do not run beside the bus when it is moving.
5. When loading, form a single line off of the road and wait quietly until the bus has come to a complete stop before moving toward it. Do not push or crowd.
6. Upon entering the bus, go directly to a seat, sit down, and remain seated.
7. If you miss the bus, return home. Make alternative arrangements for getting to school with your parent or guardian.

B. WHILE ON THE BUS

1. Obey the directions of the bus driver, including the assignment of seating, if required.
2. Do not stand or sit in the stepwell. Be seated while the bus is in motion facing forward with feet out of the aisle. Keep the aisle and front stepwell clear of books, lunches, coats, packages and musical instruments. When departing, remove all items which were brought onto the bus.
3. Conduct yourself in a manner that will not distract the driver or disturb other riders. While the bus is moving, do not talk to the driver except for important matters or emergencies.
4. Be quiet while the bus is approaching and crossing railroad tracks so the driver can listen for approaching trains.

(over)

5. Ride only your regularly assigned bus and leave the bus at your designated stop. Written permission or a phone call by your parent to the principal or designee, who will issue a bus pass to be given to the bus driver, is required to ride another bus or to get off at a different stop.
6. Report any bus damage to the driver. Students are responsible for the cost of repairs to buses and/or vehicles due to vandalism or misuse.
7. Obtain driver permission before opening a window. State law states that bus windows may be open no more than five inches (5"). Keep hands, head, legs, etc. inside of the bus at all times. Do not throw or pass objects through open windows.
8. Do not bring knives, sharp objects, glass items, firearms, or live animals on the bus. Do not bring large objects that cannot be held on a student's lap onto the bus. Objects that can come apart or create a mess if dripped should be in closed container (sack, box, etc.)
9. Use of profane language will not be tolerated. Use or possession of tobacco, alcoholic beverages, drugs or drug paraphernalia, or matches/lighters is not allowed on the bus and will result in a suspension from the bus for five (5) days or more. Possession of these items could result in suspension from school at the principal's discretion.
10. Deposit paper, food containers, and other unwanted objects in the trash container provided.
11. Use the fire extinguisher, first aid kit, and emergency door only in an emergency and with the permission of the driver or other authorized person. Do not sit in the driver's seat or touch any instruments on the dashboard.
12. Do not stand up until the bus has come to a complete stop. Leave the bus in an orderly manner with students in the front unloading first unless otherwise directed.

C. AFTER LEAVING THE BUS

1. When it is necessary to cross the road after unloading, cross at least 10 feet in front of the bus. Do not touch or jump over the cross arm. Before stepping into the lane used by oncoming traffic, look both ways to be sure no traffic is approaching from either direction. Glance at the driver, who will signal if it is not safe to cross. Walk, do not run, when crossing the roadway.
2. Do not loiter around the bus or run beside it when it is moving.
3. Do not throw balls, rocks or objects of any kind in the area of a school bus stop.
4. If there is a shoulder or sidewalk, use it. When it is necessary to walk along the roadway, walk on the left facing traffic.
5. After leaving the bus, go directly home.

PROCEDURES FOLLOWING INFRACTIONS

Safety is a primary concern. A Bus Conduct Report will be written for a student who does not follow these rules. The driver will give a copy of the report to the student who is to take it home, have a parent/guardian sign it, and return it to the driver before they will be allowed to ride the bus again. Transportation will fax or send a copy of the Bus Conduct Report to the principal who, after determining action to be taken, will return it to the bus driver. The principal may call the parent/guardian to discuss the infraction and the consequences. A copy of the form will be kept in the Transportation Department files.

INSTRUCTIONS FOR THE ED 506 FORM

FOR APPLICANTS:

PURPOSE: To comply with the requirements in 20 USC 7427(a), which provides that: “The Secretary shall require that, as part of an application for a grant under this subpart, each applicant shall maintain a file, with respect to each Indian child for whom the local educational agency provides a free public education, that contains a form that sets forth information establishing the status of the child as an Indian child eligible for assistance under this subpart, and that otherwise meets the requirements of subsection (b)”.

MAINTENANCE: A separate ED 506 form is required for each Indian child that was enrolled during the count period. A new ED 506 form does **NOT** have to be completed each year. All documentation must be maintained in a manner that allows the LEA to be able to discern, for any given year, which students were enrolled in the LEA’s school(s) and counted during the count period indicated in the application.

FOR PARENTS/GUARDIANS:

DEFINITION: Indian means an individual who is (1) A member of an Indian tribe or band, as membership is defined by the Indian tribe or band, including any tribe or band terminated since 1940, and any tribe or band recognized by the State in which the tribe or band resides; (2) A descendant of a parent or grandparent who meets the requirements described in paragraph (1) of this definition; (3) Considered by the Secretary of the Interior to be an Indian for any purpose; (4) An Eskimo, Aleut, or other Alaska Native; or (5) A member of an organized Indian group that received a grant under the Indian Education Act of 1988 as it was in effect on October 19, 1994.

STUDENT INFORMATION: Write the name of the child, date of birth and school name and grade level.

TRIBAL ENROLLMENT INFORMATION: Write the name of the individual with the tribal membership. Only one name is needed for this section, even though multiple persons may have tribal membership. Select only one name: either the child, child’s parent or grandparent, for whom you can provide membership information.

Write the name of the tribe or band of Indians to which the child claims membership. The name does not need to be the official name as it appears exactly on the Department of Interior’s list of federally-recognized tribes, but the name must be recognizable and be of sufficient detail to permit verification of the eligibility of the tribe. Check only one box indicated whether it is a Federally Recognized, State Recognized, Terminated Tribe or Organized Indian Group. If Terminated Tribe or Organized Indian Group is elected, additional documentation is required and must be attached to this form.

- * **Federally Recognized-** an American Indian or Alaska Native tribal entity limited to those indigenous to the U.S. The Department of Interior maintains a list of federally-recognized tribes, which OIE can provide you upon request.
- * **State Recognized-** an American Indian or Alaska Native tribal entity that has recognized status by a State. The U.S. Department of Education does not maintain a master list. It is recommended that you use official state websites only.
- * **Terminated Tribe-**a tribal entity that once had a federally recognized status from the United States Department of Interior and had that designation terminated.
- * **Organized Indian Group-** Member of an organized Indian group that received a grant under the Indian Education Act of 1988 as it was in effect October 19, 1994.

Write the enrollment number establishing the membership of the child, if readily available, or other evidence of membership. If the child is not a member of the tribe and the child’s eligibility is through a parent or grandparent, either write the enrollment number of the parent or grandparent, or provide other proof of membership. Some examples of other proof of membership may include: affidavit from tribe, CDIB card or birth certificate. Write the name and address of the organization that maintains updated and accurate membership data for such tribe or band of Indians.

ATTESTATION STATEMENT: Provide the name, address and email of the parent or guardian of the child. The signature of the parent or guardian of the child verifies the accuracy of the information supplied.
